

# SPRING SEMINAR FOR AMI TEACHERS

MARCH 21-22, 2015, MOSCOW

REGISTER BY MARCH 10

ORGANIZED BY MONTESSORI FUND (AMI AFFILIATE)

Seminar held in Russian and English

Dear friends!

We are pleased to invite you to the 1st seminar for AMI teachers\* in the Moscow region. This is your opportunity to share experience and findings among colleagues as well as to learn more about the work done in other age groups. This seminar is the 1st step towards the organization of AMI refresher courses, which are usually held in countries where the representation of trained teachers is vast enough.

Registration Fee 1500 RUB. Venue to be confirmed after March 2nd.

\*Only for AMI diploma holders. Please register through [info@mosmontessori.ru](mailto:info@mosmontessori.ru)

We are expecting special guests to take part in our seminar: experienced AMI 6-12 teachers from the US, and Karan Young (founder of the 1st AMI standard school in Russia). Teachers from several local schools will share their practical experience: we expect participants from Montessori Studio, HappyBee and Montessori School of Moscow. The seminar format will include group work and guest talks.

## Day 1: Saturday, March 21st, 10-17\*:

### BRAIN, LEARNING AND GROWTH

- optimal brain development under 6 years of age;
- what is Brain Based Learning and how to use it in class and at home;
- assessing academic progress in 0-6;
- mastering reading and writing in Russian and English;
- special needs children in a Montessori environment: how can we help

\*13.00-14.00 lunch break

## Day 2: Sunday, March 22nd, 10-14:

### MONTESSORI IN A METROPOLIS

- gross motor development;
- practical life as a bridge to learning;
- technologies and their effects on children under 3, 6 and 12 years of age;
- parents as partners: what works best
