The objective of this course is to introduce both professionals and parents to the philosophy and practical aspects of Montessori pedagogy for children aged 6 to 12 (Elementary) and to AMI standards. This AMI course, previously known as “The Assistants’ Course”, has been renamed to represent even more precisely the essence of the training that provides a comprehensive review, based on Montessori method, of the development characteristics for this age group.

The duration of the course is 64 hours (36 hours with trainer; 24 hours independent work + 4 hours observation time). Online course consists of live sessions, webinars, discussion panels, assignments, and observations.

A minimum of 90% attendance is required to be eligible for the Course Completion Certificate.

The program of the course:

- ✓ Introduction to Montessori Method: Montessori theory of human development; human tendencies; self-construction
- ✓ The Four Planes of Development
- ✓ The Second Plane Child: Basic knowledge of Elementary children and the way they are learning; The Work of the Hand
- ✓ Cosmic Education
- ✓ Prepared Environment
- ✓ Freedom and Responsibility Understanding what freedom is in Montessori. Establishing discipline as part of inner development.
- ✓ Grace and Courtesy; Interacting with the 6-12 child
- ✓ Observation and its role
- ✓ The role of adults in the child's development from Montessori point of view
- ✓ Going Out, an overview; role of the assistant in Going Out

Students will be provided with a Required Reading list before the start of the course.

Required assignments for the Course Completion Certificate:
